**Internet Acceptable Use Policy**

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to this privilege will be withdrawn and appropriate sanctions – as outlined in the AUP – will be imposed.

It is envisaged that school and parent representatives will revise the AUP annually. Before signing, the AUP should be read carefully to indicate that the conditions of use are accepted and understood.

This version of the AUP was created on 9<sup>th</sup> January, 2006 by Michael Sheridan, Principal.

- Students will observe good "netiquette" (i.e., etiquette on the Internet) at all times and will not undertake any actions that may bring the school into disrepute.

- Students will use the Internet for educational purposes only.
- Students will be familiar with copyright issues relating to online learning.
