

ONLINE COMMUNICATION CHARTER 1: GETTING READY

General Guidelines for St Kilian's
Community School

Where we are
now...

School Closures

We planned to return to school on Monday but unfortunately we cannot go back just yet.

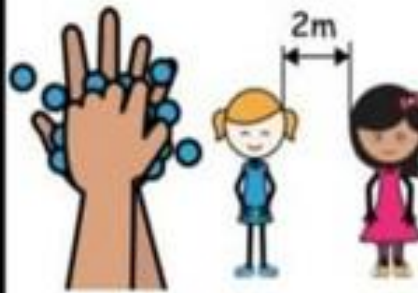

The Corona Virus is still spreading and to keep safe we must stay at home.

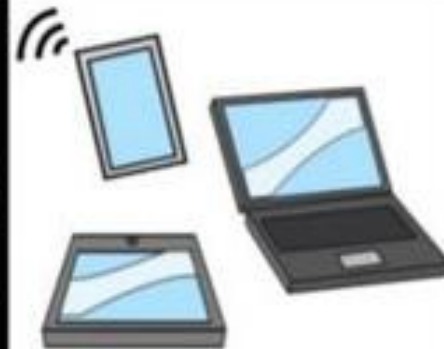

We want people to be safe so we will continue our schooling at home.

It is ok to be sad, upset or worried about this but we will all be ok.

We must still practise good hygiene; washing our hands and keeping our distance.

We can use technology to keep in touch with our teachers and friends.

We can still do our lessons, tasks, activities and learning at home.

When it is safe, schools will reopen and we will be able to go back to our classrooms to learn.

THE NIGHT BEFORE YOUR ONLINE CLASSES

CHARGE UP YOUR DEVICES THE NIGHT BEFORE

SET THE ALARM CLOCK
